

“The Giving Tree” is the special event/fundraiser

of the 2011 Albuquerque Fiber Arts Fiesta.

All monies raised will be for the benefit of JDRF, the Juvenile Diabetes Research Foundation.

Examples of quilted leaves being hung on “The Giving Tree” during the 2011 Fiesta.

During the Fiesta, a real, life-sized tree will be on display laden with beautifully pieced and quilted “leaves”. Fiesta attendees can donate \$5 for a quilted leaf and in addition, receive a hand-crafted item, made by members of the Fiesta co-sponsoring guilds. All collected moneys will go to JDRF.

Hand-made lace, bead earrings, custom dyed socks and silk painted scarves are examples of handcrafted items that Fiesta attendees will receive when they donate \$5 to JDRF!
